Objectives

Describe the overall objectives of the mini symposium.

Summary

Give a short description of the theme that will be addressed in the mini symposium.

Outline of the symposium

Give a specified timeline with presenters, background of the presenters, duration of the presentations, and at least 15 minutes for discussion with the audience.

Please note that at least 3 presenters with a multidisciplinary background are required, and that we will prioritize mini symposia that have scheduled parents of children with disabilities or persons with childhood onset disabilities presenting their perspectives on the discussed theme.

Total duration of the mini symposium is 90 minutes.
